WINTER CLOTHING DRIVE

Share the Gift of Warmth this Winter

Parkersburg, WV, October 23, 2022. The BobCast MOV Productions, LLC in partnership with community service group Momma T and the Warriors announce their first annual WINTER CLOTHING DRIVE to benefit the homeless and financially challenged residents of our community. With winter setting in, many residents of our community are going to find it difficult to stay warm this winter, but YOU can help them! This is of critical importance because these people need to know they're not forgotten. When we show them that we love them, it gives the more of a reason to fight to improve their situation.

Teresa Ann "Momma T" Racer has led Momma T and the Warriors food and clothing ministry in Parkersburg since October 2018, and Parkersburg First Assembly provides a nonprofit covering for the group. Pastor Brad Puckett says of the ministry, "This ministry isn't just about clothes on backs and food in stomachs. It's about Jesus touching and changes lives through His Church."

Donations of new and lightly used clothing may be delivered to Ms. Racer's residence at 1107 16th Street in Vienna. Please leave bagged contributions in front of the garage door (the garage serves as a temporary warehouse for items to be sorted prior to being delivered to the community in need).

For additional information please contact Teresa Racer at (304) 482-1243 or message her via facebook.com/teresa.racer. Cash donations may be made via PayPal through ParkersburgFirst@hotmail.com, indicating the donations is for "Momma T and the Warriors."
